Ultra Door	56"	73"	79"	85"	See Note Below ^③			19-1/2"

1. Foundation plates can be used to reduce the inside width of areaways wider than 55"
2. Two or more extensions can be mounted together for areaway lengths greater than 102"
3. Ultra Series Doors are available in Size C only, and extensions can be used to increase the lengths of the frame to cover larger openings.
