6 Rung

7 Rung

Specifications

Material: Powder-coated steel

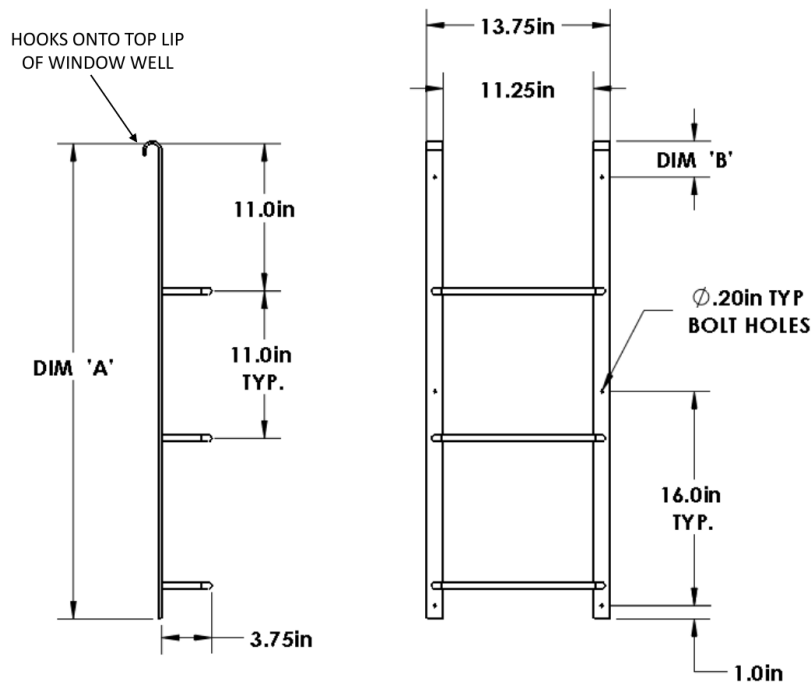

Rung spacing: 11.0 in

Hole spacing: 16.0 in

Hole diameter: 0.20 in

Screw size*: #10 (3/16 in)

Dimensions

Dimensional drawing — Dim 'A' (overall height) and Dim 'B' vary by ladder size; see table below.

Ladder Size	Dim 'A' (in)	Dim 'B' (in)
3 Rung	35.5	2.7
4 Rung	46.5	13.7
5 Rung	57.5	8.7
6 Rung	68.5	3.7
7 Rung	79.5	14.7

**The ladder is installed by placing the top hooks over the top lip of the window well. Screws are optional and can be used to further stabilize the ladder, if desired.*
