SPECIFICATIONS

Deluxe Egress Well

Large single-piece plastic egress window well with a faux-stone brick texture in Tan. Provides a 66” × 53” inside egress opening (72” × 56” outside) and a 64” depth, with integrated built-in steps — a code-compliant, rust-free basement escape built from heavy-duty single-walled construction.

Features

- Meets building codes for egress.
- Quick Ship — ships in 3–5 days.
- UV protected to maintain color.
- Built-in steps.
- Made of rust-free material.
- Heavy-duty single-walled design for superior sturdiness and strength.
